

Alameda County COVID-19 Treatment Inquiries Line

Our Inquiries Team is here to assist you.
We can provide information about the following:

Who can get
treatment

How soon to
get treatment

Different
treatment
options

Places to get
treatment

Please note that the Inquiries Team is unable to schedule appointments and provide medical advice. For medical advice and additional information:

Speak with your
health care
provider

Contact an
OptumServe
Testing and
Treatment site

Use the ASPR
Test-to-Treat
online locator

Visit a
neighborhood
community
health clinic
