### **Important Details**

- Everyone is eligible for COVID-19 services, no matter their immigration status. Testing, treatment or vaccinations paid for by the federal government will not affect anyone's immigration status or be shared with immigration agencies.
- If you are uninsured and receive a bill related to COVID-19 testing or treatment, ask your provider to bill the HRSA COVID-19 Uninsured Program instead of you.
- You cannot be billed for COVID-19 services if you are uninsured and the government is paying your healthcare provider for your care. If you receive a bill, and you already paid, you may be owed a refund and you should first speak to the person or facility that sent it. If they don't cancel the bill or give you a refund, contact the HHS Office of Inspector General Hotline at 1-800-HHS-TIPS or visit <a href="https://TIPS.HHS.GOV">https://TIPS.HHS.GOV</a> to file a complaint.
- You do not need a Social Security Number or government ID to receive free COVID-19 services.
- The doctor, pharmacy, or clinic may ask for this information but it is only to help them confirm you don't have insurance so they can get paid by the Uninsured Program.
- You will still be treated, tested, or vaccinated for COVID-19 if you are not able to provide a Social Security Number or government ID.
- You cannot be billed for COVID-19 vaccinations. If you receive a bill, you should first speak to the person or facility that sent it. If they don't cancel it, contact the HHS Office of Inspector General Hotline at 1-800-HHS-TIPS or visit https://TIPS.HHS.GOV to file a complaint.
