Letter to Employers

To:

Nicholas J. Moss, MD, MPH, Acting Health Officer

From:

Alameda County Public Health Department (ACPHD)

Date:

September 15, 2022

Subject: PCR/NAAT Results

Dear Employers,

This letter is to notify you of PCR/NAAT results from workers employed at your facility who were tested for COVID-19.

According to the Alameda County Public Health Department (ACPHD), the results of the PCR/NAAT test for COVID-19 are negative. However, it is important to note that negative test results do not indicate immunity or protection against future exposure.

Please ensure that all employees are aware of the importance of continued COVID-19 prevention measures, including the use of masks, social distancing, and vaccination.

Thank you for your cooperation.

Sincerely,

Nicholas Moss, MD, MPH, Acting Health Officer

Alameda County Public Health Department (ACPHD)

ACPHD has developed a guidance document for employers to use in preparing their workforces for the COVID-19 pandemic. This document includes information on:

- Guidance for employers on COVID-19 prevention measures
- Guidance for employees on how to stay healthy during the pandemic
- Guidance for employers on how to support employees who may be at risk for COVID-19
