Alameda County COVID-19 Vaccination Framework

**Currently
Vaccinating***
as supply permits

- Healthcare workers
- High risk congregate settings
- People aged 65+
- Food/Agriculture/Restaurant/Grocery workers
- Emergency Services workers
- Education/Childcare workers
- People aged 16-64 with high-risk medical conditions and disabilities
- Public transit workers, janitors, utility workers
- People experiencing homelessness

**Priority
Groups**

- Older adults
- MediCal or Uninsured
- Areas with very high COVID-19 case rates (HPI Q1 + priority zip codes)
- People with direct contact with clients or the public at work
- People who cannot work from home
- People with limited mobility

* *Alameda County is aligned with state guidance; for details please see:*

Orange = % of County population over age 16

CDC Guidance Updated for Fully Vaccinated Persons

- CDPH guidance forthcoming – expect it will be similar
- “Fully vaccinated” means 2 weeks after completing series
- Fully vaccinated people may:
 - Visit with other fully vaccinated people indoors without masks or physical distancing
 - Visit with unvaccinated people from a single household who are at low risk for severe COVID-19 disease indoors without wearing masks or physical distancing
 - Refrain from quarantine and testing following a known exposure if asymptomatic
- This guidance is limited to non-healthcare settings

Thank you
