June 8, 2021
Agenda

1. Data
2. Re-opening/Blueprint
3. Vaccine Updates
4. Homeless Response
5. Outreach & Communications
1. Data
Epidemic Data Key Points

• Daily case rate is 2.1 per 100,000
  • Adjusted Case Rate is 1.5
  • Averaging 30 cases reported daily
• Test positivity is 0.7%
  • 1.3% in lowest HPI quartile
• Hospitalized COVID cases 28; ICU 5
• Testing 6,000 per day

Death Data Updated

• We transitioned to State’s COVID-19 death reporting standard 6/4/21
  • Aligning with State, CDC, other LHJs
• Only reporting deaths in which COVID-19 infection contributed to death
  • Many deaths among people with COVID were due to other causes
• The change:
  • Decreased COVID-19 death total from 1,641 to 1,269
  • Does not affect the pattern of disparities or geographic impacts
  • Does not estimate excess deaths from all causes due to the pandemic
  • Gives a more accurate measure of COVID-19 mortality locally
2. Reopening/Blueprint
Blueprint Update

- AC expected to move to Yellow Tier effective 6/9
  - Increases capacity limits for most sectors, allows indoor bars
- State moving Beyond the Blueprint effective June 15
  - Blueprint “color tier” restrictions will be removed
  - No physical distancing or capacity limits for most sectors
  - Mega-Events subject to ongoing restrictions
  - Schools guidance remains in effect
  - Mask mandate remains in effect but expected to focus on unvaccinated persons
CalOSHA Temporary Emergency Standards

• CalOSHA updated COVID-19 Emergency Temporary Standards on 6/3/21
• All workplaces governed by the ETS standards must follow updates including masking requirements for employees.
• Effective 6/15:
  • Masks not required indoors if all employees vaccinated
  • Masks required indoors if vaccination status of employees unknown or if all employees not vaccinated
    • Employers must safeguard any health information
  • Physical distancing no longer required
• FAQ to be provided for additional guidance
3. Vaccine Updates
Vaccination Rates by Race/Ethnicity
(% of 16+ Population with at least one dose and fully vaccinated):
Cumulative (thru 5/28/21)

Note: Rates by race/ethnicity only reflect vaccinated residents with known RE.
Does not reflect residents with unknown RE who got at least 1 dose (30%) or were fully vaccinated (19%).

4. Homeless Response
Updates – Week of June 7, 2021

1. Project Roomkey
2. Project Homekey
3. New allocation of HUD Emergency Housing Vouchers
Project Roomkey Alameda County

Project Roomkey continues to prevent the spread of COVID 19 by providing isolation and quarantine locations for people who are COVID+ or exposed, and safe shelter for people who are homeless and at high risk for complications.

More than 680 (69% of people who exited) guests from Safer Ground have been housed!

Project Roomkey Timeline + Project Homekey

• Currently have ~800 people in PRK sites throughout the County.

• Scheduled ramp down of Project Roomkey sites from June through September, 2021.

• The two hotel sites Alameda County has purchased through Project Homekey will operate as non-congregate shelter until the rooms/units are transitioned to permanent supportive housing.

• More detail at: homelessness.acgov.org/roomkey.page
Emergency Housing Vouchers

HUD has allocated 70,000 vouchers to Public Housing Authorities (PHA) to help respond to and prevent COVID-19.

• Local Allocations: 864 vouchers
  • City of Alameda Housing Authority - 57 vouchers
  • Berkeley Housing Authority - 51 vouchers
  • Oakland Housing Authority - 504 vouchers
  • Housing Authority of County of Alameda - 252 vouchers

• Eligibility:
  • Experiencing or at risk of homelessness (<30% AMI)
  • Fleeing or attempting to flee domestic violence, intimate partner violence, sexual assault, stalking, or human trafficking
  • Recently homeless and “for whom providing rental assistance will prevent homelessness” (Ex. RRH and PSH move-on)

OHCC is working with the Public Housing Authorities on an MOU and referral processes.

Bay Area Health Officers Support Full In-person School this Fall

• Bay Area Health Officers support opening schools for full time in-person instruction for all grades in the fall of 2021.

• The science is now clear - risk of transmission among children wearing masks is very low, even with reduced spacing between desks.

• Lack of in-person learning has disrupted education, weakened social supports provided by school communities, negatively impacted mental health, and prevented participation in rituals and shared milestones that tie communities together.

• For more information, see the news release or view the press conference recording.
