WHO CAN NOW GET A COVID-19 VACCINE?

Teens 12-17 can now sign up to get the Pfizer vaccine with parental consent.
Alameda County Implementation Plan for Youth Vaccination

- Integrate Pfizer into community PODs & mobiles
- Support and coordinate with pediatricians
- Coordinate pop-up events with ACOE and school districts, with priority for highest impacted areas
- Partner with Vaccine Community Advisory Group
Pfizer & 12-17 year olds

- Pre-registration is available on our County site for “Family Days” starting Thursday May 20th
  - Thursdays @ Fremont High, Hayward Adult, Allen Temple.
  - Fridays at Union City-Old Decoto

- Parent/guardian should accompany minor and sign consent, unless minor is emancipated
  - Parent/guardian does not have to be onsite with written consent; staff must confirm written consent is completed. FaceTime is also an option
  - Ensure that caregiver has reviewed the fact sheet Pfizer EUA Fact Sheet
  - Working on policy for unaccompanied minors

- Working on: ID proving birth date; consent forms/permission slips; policy for unaccompanied minors
• Partnering with the Alameda County Office of Education (ACOE) to coordinate and prioritize pop-up vaccine clinics with schools and school districts
• ACOE is connecting schools and districts not served by public health mobile clinics to other pharmacy partners
• Many districts throughout the county have started to offer onsite mobile vaccine clinics
• Charter and private schools are also offering onsite mobile vaccine clinics
• Prioritization of schools and districts is based on priority zip codes/neighborhood and the student population served
Mobile Vaccine Clinics: Youth and Family Serving Organizations

• Reaching out to youth and family serving organizations to partner in hosting mobile vaccine clinics

• Clinics could be youth led and might include incentives and fun socially distance activities
Communications and Outreach

• Coordinating with ACOE regarding communication materials for schools
• Partnering with the Youth Council and the Outreach and Health Education Network to develop a peer-to-peer strategy
• Launched a Youth Vax Facts Webpage [Youth Vax Facts | COVID-19 | Alameda County Public Health (acgov.org)]
• Planning to produce videos highlighting some of the Youth Vax Facts
• Exploring having a list of clinicians who are available for Q and A sessions and Town Halls throughout the County
COVID-19 Vaccine CAG Children and Youth Subgroup

• Includes current interested members of the CAG
• Includes additional members from ACOE, School Nurses, Pediatric Providers, etc.
• Proposed first meeting date: June 1\textsuperscript{st}
3. Partner Updates
4. County Vaccine Updates
Please Continue to Mask

- CDC relaxed face covering guidance for fully vaccinated people, but...
- CA still requires masks in most indoor settings, regardless of vaccine status
- Masks will continue to benefit us for now
  - < 50% of residents are fully vaccinated
  - COVID-19 continues to circulate
  - Workplaces must follow Cal/OSHA standards
- CA to relax mask rules after June 15
