# Community Coalition RFP

- Anticipated to be released this week
- Builds on ongoing strategy & commitment to partnering with community
  - Vaccination
  - Community engagement
  - Recovery & Resilience
- Focus on serving priority geographic areas and priority populations

# 3.1 County Youth Strategy

Lisa Erickson

**ELIGIBILITY UPDATE!**

## **WHO CAN NOW GET A COVID-19 VACCINE?**

**Teens 12-17 can now sign up to get the Pfizer vaccine with parental consent.**

# Alameda County Implementation Plan for Youth Vaccination

- Integrate Pfizer into community PODs & mobiles
- Support and coordinate with pediatricians
- Coordinate pop-up events with ACOE and school districts, with priority for highest impacted areas
- Partner with Vaccine Community Advisory Group

# Access to Vaccine for Independent Practices (AVIP)

- Access to Vaccine for Independent Practices (AVIP) will distribute vaccine to pediatric and independent practices in Alameda County
- Starting mid-June with a hand-full of providers and ramping up over time
- Practices confirm they meet minimum program requirements and are registered in myCAvax and CAIR
- Alameda County to provide training in vaccine handling, storage, temperature monitoring, and cold chain
- Target providers are pediatric providers and small independent practices in high-impact, low vaccination census tracts

# Pfizer & 12-17 year olds

- **Pre-registration is available on our [County site](#) for “Family Days”**
  - Thursdays @ Fremont High, Hayward Adult, Allen Temple.
  - Fridays at Union City-Old Decoto
- **Parent/guardian should accompany minor and sign consent, unless minor is emancipated or eligible to consent on their own**
  - Parent/guardian does not have to be onsite with written consent; staff must confirm written consent is completed.
  - Verbal consent via phone or video/FaceTime is also an option.
  - Ensure that caregiver has reviewed the fact sheet [Pfizer EUA Fact Sheet](#).
  - A minor (15+) may consent to their own medical care if certain criteria are met: [Pfizer Vaccine Minor Consent Guidance \(acgov.org\)](#)
- **A minor does not need to have identification to receive a vaccine.**  
Parent or guardian consent is sufficient.

# Youth Vaccination Data (Ages 12-17)

	Count	Percentage
At least one dose	57,461	47.2%
Fully Vaccinated	17,519	14.4%

# Youth VAX FAQs

[Youth Vax Facts | COVID-19 | Alameda County Public Health \(acgov.org\)](#)

## Youth Vaccine FAQ

What do we do know about COVID-19 in children and youth?

What are the benefits of vaccination for youth?

What changes after vaccination? Do youth 12+ still have to wear a mask in school?

How do youth 12 to 17 consent to receiving a COVID-19 vaccine?

Will youth 12 to 15 receive the same dose of COVID-19 vaccine as people 16+?

Can youth 12 to 15 who recently got other vaccinations get a COVID-19 vaccine?

Is the Pfizer COVID-19 vaccine safe for youth?

How were the COVID-19 vaccines developed so quickly?

Will my DNA be altered after getting a COVID-19 vaccine?

# Youth Vaccine Subgroup of the Community Advisory Committee

**First meeting: Tuesday, June 8th from 5:30-7:00**

## **Purpose:**

- Share evolving youth vaccination information and plans with community
- Provide input on equitable youth vaccine distribution and prioritization
- Build collective trust and strategies to help people make informed decisions
- Coordinate on youth vaccine messaging and managing misinformation
- Integrate across COVID-19 response, existing community tables, and outreach/education

## **Process**

- The Youth Subgroup will provide regular reports to the CAG

# 4. Panelist Comment/Q&A
