

Alameda County COVID-19 Vaccine Community Advisory Group

COVAX@acgov.org

Meeting 19
January 11, 2022

La siguiente presentación tiene servicio de interpretación al Español.

Para iniciar esta función:

1. Haga clic en el icono de Interpretación, el símbolo de un globo o mundo
2. Seleccione Spanish/Español como su idioma

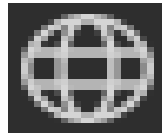

- Opcional: Para escuchar solo el audio en Español, haga clic sobre "Mute Original Audio"

The following presentation has interpretation in Spanish.

To start this function:

1. Click the Interpretation icon, the globe or world symbol
2. Select Spanish as your language

- Optional: To listen to only Spanish audio, click on "Mute Original Audio"

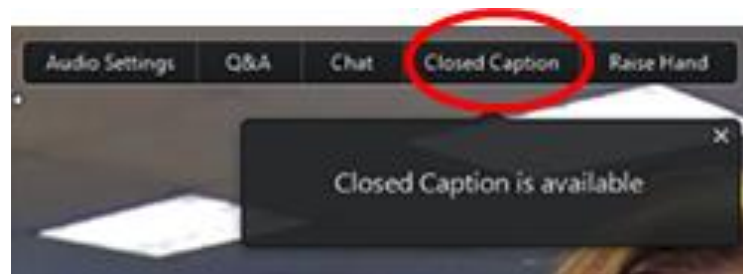

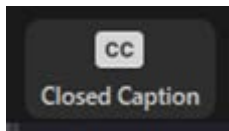

For PC and Android

For iPhone and Mac

Using Closed Captioning

- Click **Closed Caption** in the controls at the top or bottom of your screen
- After selecting Closed Caption, you will see the captioning at the bottom of your screen.
- If you need to adjust the caption size
 - Click on the arrow next to stop/start video and choose Video Settings
 - Click on Accessibility
 - Move the slider to adjust the caption size

Como Usar los Subtítulos

- Haga click sobre Closed Caption en los controles arriba en su pantalla
- Después de seleccionar “Closed Caption”, verá los subtítulos al pie de su pantalla
- Si necesita ajustar el tamaño de los subtítulos
- Haga click sobre la flecha cerca de “stop/start video” y elija “Video Settings”
 - Haga click en “Accessibility”
 - Mueva el deslizador para ajustar el tamaño de los subtítulos

Dr. Nick Moss

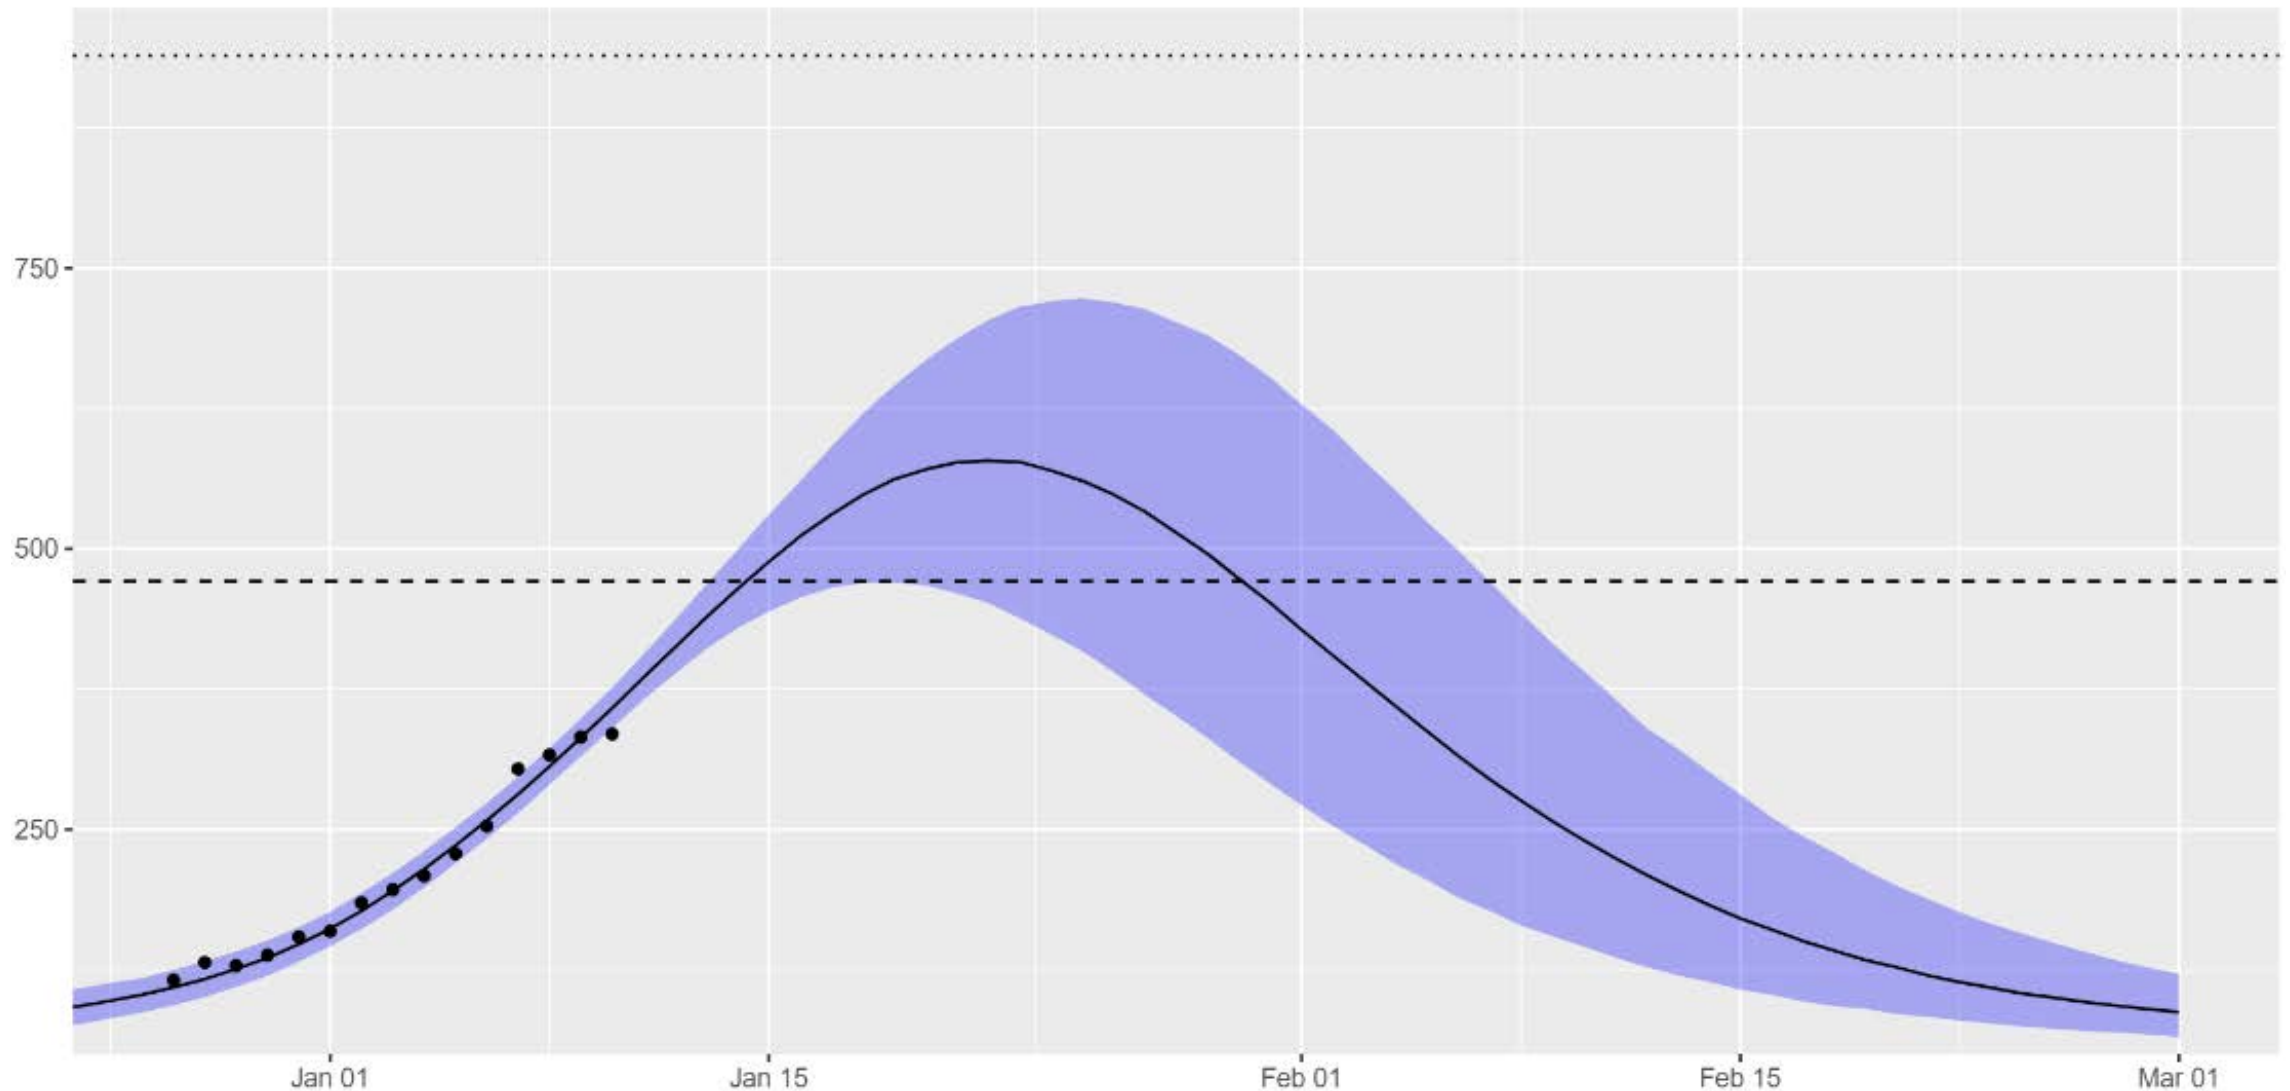

Epidemic Data Key Points

- Daily case rate 114 per 100,000
 - Western US ~99% Omicron
- Test positivity 17.7% overall
- Hospitalized COVID cases 322; ICU 44
 - <5% children
- ~ 20,000 lab tests per day
- Substantial prioritization needed – goal is to prevent severe disease

Note – dashboard cases graphs are down

Alameda County Projected Hospitalizations

Isolation & Quarantine Updates

- **County isolation and quarantine orders aligned with new State guidance**
 - 5-day isolation and quarantine now acceptable for the general public
 - Testing recommended on day 5
 - Boosted people & vaccinated but not booster eligible do not need to quarantine
 - Boosters required to avoid quarantine if eligible – **but not for workers or school children**
 - Additional guidance for correctional and shelter settings in orders
- State has specific guidance for some settings in effect locally:
 - Health care facilities and residential facilities for elderly
 - K-12 schools (awaiting state update)
 - Health care and emergency medical workers
- Worker safety rules are in Cal/OSHA's Emergency Temporary Standards

COVID Division Priorities During Surge

Case Investigations, Contact Tracing, Community Support

- Prioritizing Elderly (age 65+)
- Daycare (age 5 & younger)
- Complex cases/special circumstances
- CBOs
 - Focused on elderly queue
 - Working on resource referrals
 - Vax Call Line - incoming and outgoing calls

Outbreak Investigations

- **LTCFs:** top priority - large number of open exposure events, confirmed outbreaks
- **Corrections/SRJ:** large number of cases; prioritizing released inmates (those still incarcerated currently have resources available)
- **SSOIT:** Numerous workplace outbreaks – providing OSHA resources and guidelines for outbreak management
 - Focusing on settings with the highest potential for severe illness, hospitalization
- **THUUMS** team prioritizing those most at-risk

Community Vaccinations:

- Focus on unvaccinated, priority zip codes, immunocompromised, priority schools
- Continuing homebound vaccinations – 4 days week now
- Community Coalitions launching this week to help at Vaccination PODs
- Providing boosters at LTCFs

Testing Team Response

- **Increased capacity:**
 - Doubled capacity at Optum Serve sites and added sites
 - National guard deployed by state 1/7
 - Testing bus to decompress La Familia, augment West Oakland
 - Testing bus to support health care staffing
 - Addressed barriers to testing in inclement weather
 - Assisted with distribution of CDPH home test kits
 - Coordinated w/ ACOE to distribute CDPH test kits
 - Fielded multiple testing vendor requests
- **Home test kit distribution priorities:**
 - Priority areas (high exposure/low vaccination)
 - Priority populations
 - Urgent need
 - Vulnerable populations (homebound, homeless, children)
 - Unable to access resources through other means
- **Troubleshoot other barriers**
 - Resource/testing supply sharing amongst sites

5. Emergency Medical System Redesign Announcement
