3. County Updates

COVID Data & COVID Policies

Dr. Nick Moss

Epidemic Data Key Points

- Daily reported COVID-19 case rate now flat after 2-month decline
- 95 hospitalized, 8 ICU
- Wastewater signal is mixed
- Alameda County in CDC "Low" COVID-19 Community Level
- Flu and RSV situations improved
- Conditions are substantially better than in prior two winters

Visit the COVID-19 dashboard for more data

CDC COVID Data Tracker: Variant Proportions Accessed 2/1/23

CDC COVID-19 Community Levels in US by County, 2/2/23

Changes to Health Orders

Level of Government	Date of Change	Change	What Remains
Federal	March 31, 2023	Medicaid continuous coverage requirement ends	
	May 11, 2023	 Disaster Declaration & Public Health Emergency end Medicaid COVID uninsured program ends 	 FDA Emergency Use Authorizations end date TBD (not May 11) Free vaccine until supply runs out Cost of testing may rise
State	February 28, 2023	 State of Emergency Declaration Ends Waivers end on regulations Reduce state resources & staffing 	 Timeline for remaining State health orders (e.g., masking) is TBD Testing, vaccines and treatment covered by insurance – eventually will need to be within insurer network
Local/County	February 28, 2023	 Aligning with State to lift local Health Emergency Order, if conditions permit End requirements for general isolation, isolation & quarantine in corrections, testing in Long-Term Care Facilities – move to recommendations 	 Align with State & CDC for ongoing guidance Shift from response to prevention COVID-19 work integrated into ongoing Public Health programs
	60 days after local health emergency ends*	 The Board of Supervisors eviction moratorium is set to expire 60 days after the local health emergency ends 	

What to expect going forward:

- Emergencies are ending but COVID-19 will remain part of our lives
 - Greatest risk is for older adults and those with serious health conditions
- New variants will emerge
- Our understanding of short and long-term impacts of infection will grow
- Treatments and vaccination strategies should continue to evolve
- Public health strategies may come to resemble those for influenza
- Much uncertainty remains

What can residents do about COVID-19 and other respiratory

viruses?

- Stay home when sick
- Stay up-to-date on vaccinations
- Keep gatherings smaller and outside or well-ventilated
- Wear masks for greater protection
- Test for COVID-19
- Have a plan to get treatment

COVID Division & Strategy Updates

Dr. Donata Nilsen

Optum Serve Testing Site Updates

- San Leandro Marina Community Center closed permanently 1.22.23
- Mobile testing buses shut down 2.5.23
- Optum Serve San Pablo Park, 2800 Street, Berkeley will close permanently 2.28.23

Community Testing Services Continue

- 10 Testing Vendors
- 22 Stationary Sites
- Hosting 61 Events per week including mobile events
- Rapid Testing, PCR testing and At Home Kit distribution + COVID Care information
- Co-location of services, resources with vaccination and basic needs whenever possible
- LaClinica and La Familia currently still supporting access to treatment
- Target populations: uninsured/underinsured, communities most impacted by COVID/racial/health disparities
- Testing website provides up to date test site information: https://covid-19.acgov.org/testing

Right Sizing Our COVID Response Work

- State ending emergency declaration February 28, 2023
- Shift from a purely response driven approach to a prevention approach
- Focus testing on un/underinsured; increase outreach, education, access to care
- Update data management strategy for long term sustainability
- Changes in Recommendations/Guidance
 - o OSHA no longer requiring reporting of cases to LHJs
 - Lifting testing requirement of unvaccinated
 - Loosening restrictions on visitation
 - Lifting vaccination requirement of Health Care Personnel
