The page contains text in Amharic and a table. The table contains data about clinical trials related to the COVID-19 vaccine. The text is discussing the regulatory approvals for different vaccines from Pfizer, Moderna, Novavax, and Johnson & Johnson. The text is discussing the approval of these vaccines by the FDA and the European Union's (EUA) approval.

The text mentions that Pfizer, Moderna, and Johnson & Johnson have received approval from the FDA for their COVID-19 vaccines. The text also notes that Novavax has received EUA approval for its vaccine.

The text discusses the effectiveness and safety of these vaccines, with mentions of the percentage of people who have received the vaccine and the percentage of people who have shown symptoms. The text also notes the side effects of the vaccines and the importance of continuing to monitor their safety and effectiveness.

The text concludes with a discussion of the ongoing efforts to improve the vaccines and to provide safe and effective COVID-19 vaccines to the global population.
The page contains information about vaccines for COVID-19, specifically Pfizer (F-IHC), Moderna (M-
IHC), and Novavax (N-IHC). The text is in Amharic with some English content. The text discusses the
status of shipments and distribution of the vaccines, including Pfizer and Moderna.

Key points:
- Pfizer and Moderna vaccines are discussed.
- Distribution and availability of these vaccines are highlighted.
- The text mentions CDC guidance on the use of these vaccines.
- Clinical trials and other discussions related to COVID-19 are also mentioned.

This page is a summary of the COVID-19 vaccines' status as of a certain date, with emphasis on the
vaccines' distribution and usage guidelines.
