

WHERE CAN I GET FREE VACCINES?

If you have health insurance:

- **Contact your healthcare provider or pharmacy.**
 - Flu and COVID-19 vaccines are free for most people with private insurance, Medi-Cal or Medicare.
 - Check with your insurance about the cost of RSV vaccine.

If you are uninsured OR your insurance doesn't cover the cost of the vaccines:

- **Adults and children can get free COVID-19 and flu vaccines at the [Family Justice Center](#).**
- **Adults can also get free COVID-19 vaccines through the [Bridge Access Program](#).**
 - Visit [vaccines.gov](https://www.vaccines.gov) or call **1-800-232-0233** to find a location.
 - Make sure you click the "Bridge Access Program Participant" box when booking your appointment.
- **Children can also get free COVID-19 vaccines through the Vaccines for Children Program.**
 - Visit [eziz.org/vfc/provider-locations/](https://www.eziz.org/vfc/provider-locations/)
- Free RSV vaccines are currently not available through ACPHD.
